

The Conservation Foundation invites you to become a:
Certified Professional in Erosion and Sediment Control
CPESC

Review Course:

CPESC Exam:

November 17th, 8:30 a.m. - 5 p.m. November 18th, 8:30 a.m. - 1 p.m.

DePaul University, Naperville Campus
150 West Warrenville Road, Building 200

A CPESC is a recognized specialist in soil erosion and sediment control. Individuals are certified based on an exam, education and experience. The CPESC certification provides evidence of competence in the field.

Six PDHs offered!

Registration information:

- The CPESC application process must be completed and an acceptance letter received to be eligible to take the exam. Visit www.cpesc.org for more information.
- Examinations are to be completed within one year of taking the review course.
- A CPESC Exam Review Course manual is required and available from TCF.
- Lunch is included for the Review Course.

Instructor/Proctor

John Price of Price and Company, Inc. will lead the Review Course.
Dan Salsinger from Ero-Tex will proctor the exam.

Cost:

The registration fees for the review course and exam are separate from the CPESC application fee.
